

POLLUTION ISN'T PRETTY.

Sewage Waste Disposal for Recreational Vehicles Disposal Directory

There are several recreational vehicle dump stations available in our region. It is important to utilize available dump stations as *E.coli* contamination from illegal dumping can be a very serious threat to public health and our land and water resources. The list below will help you locate a dump station within Clinton, Eaton and Ingham Counties. You can contact your local Health Department for more information about safely disposing of waste from your recreational vehicle.
